

## Public Notice

### RE: New Section of Sidewalk & Crosswalks in Coldbrook

A section of sidewalk and two new crosswalks are now in operation along Highway #1 in Coldbrook, across from the Coldbrook Shopping Centre.

The sidewalk begins at Civic 6648 on Highway # 1 and continues west to George Street. A new light activated crosswalk (pictured below) has been installed across Highway #1.

The crosswalk was installed for the safety of pedestrians, since Highway #1 has high traffic volumes and speeds in this area.

Motorists and pedestrians are urged to use caution in the area as everyone gets used to the changes.
